

Privacy Policy

Document Owner: Madhulata Solutions

Effective Date: [Insert Date]

Version: 1.0

1. Purpose

Madhulata Solutions ("Company", "we", "our", or "us") is committed to protecting the privacy and security of the personal information entrusted to us by our clients, business partners, website visitors, and users of our services.

This Privacy Policy explains how we collect, use, store, disclose, and safeguard personal information when providing our consulting services, software solutions, AI-powered applications, websites, and related services.

Our objective is to process personal information responsibly, transparently, and in accordance with applicable privacy and data protection laws.

2. Scope

This Privacy Policy applies to personal information collected through:

- Our website
- AI consulting services
- Software development services
- Client engagements
- Mobile and web applications developed or operated by Madhulata Solutions
- Business communications
- Marketing activities
- Events, webinars, and workshops
- Recruitment activities

This policy applies to all employees, contractors, consultants, and authorized third parties who process personal information on behalf of Madhulata Solutions.

3. Definitions

Personal Information means any information that identifies or can reasonably identify an individual.

Processing includes collecting, recording, organizing, storing, modifying, using, sharing, transmitting, or deleting information.

Client Data means any information provided by a client for the purpose of delivering contracted services.

Sensitive Personal Information refers to information requiring additional protection under applicable laws, such as government-issued identifiers, financial information, biometric data, health information, or other legally protected categories.

4. Information We Collect

Depending on the services provided, we may collect the following categories of information.

4.1 Information You Provide

- Name
- Business name
- Email address
- Telephone number
- Job title
- Company information
- Billing information
- Project requirements
- Customer support requests
- Communication preferences

4.2 Information Collected Automatically

When you visit our website or use our online services, we may automatically collect:

- IP address
 - Browser type
 - Operating system
 - Device information
 - Pages visited
 - Referral URLs
 - Date and time of access
 - Usage statistics
 - Cookies and similar technologies
-

4.3 Client Project Information

During consulting engagements, we may receive:

- Business documents
- Technical documentation
- Databases
- Application logs
- AI prompts
- Workflow configurations
- Source code
- API credentials (where required)
- System architecture information

Such information remains the property of the client unless otherwise agreed in writing.

4.4 Recruitment Information

If you apply for employment or internships, we may collect:

- Resume
 - Educational qualifications
 - Employment history
 - Portfolio
 - Certifications
 - References
 - Interview notes
-

5. How We Use Information

We use information only for legitimate business purposes, including:

- Delivering consulting services
- Developing software solutions
- Building AI systems
- Providing customer support
- Managing client relationships
- Responding to inquiries

- Processing payments
- Improving our services
- Website analytics
- Security monitoring
- Legal compliance
- Recruitment
- Business operations

We do not sell personal information to third parties.

6. AI Services and Data Processing

As an AI consulting company, Madhulata Solutions may use Artificial Intelligence technologies to assist in delivering services.

Depending on the engagement, AI tools may be used for:

- Code generation
- Documentation assistance
- Data analysis
- Workflow automation
- Content drafting
- Knowledge retrieval
- Software testing
- Research support

Where AI technologies are used, appropriate human oversight is maintained.

Client confidential information will not be intentionally submitted to public AI services without appropriate authorization or contractual agreement.

7. Legal Basis for Processing

Where required by applicable law, we process personal information based on one or more of the following legal grounds:

- Performance of a contract
- Compliance with legal obligations
- Legitimate business interests
- User consent

- Protection of legal rights
 - Prevention of fraud and misuse
-

8. Information Sharing

We may share information with:

- Authorized employees
- Contractors supporting client projects
- Cloud service providers
- Payment processors
- Professional advisers
- Regulatory authorities when legally required
- Service providers performing business operations on our behalf

All third parties are expected to protect personal information through appropriate contractual and security obligations.

We do not sell or rent personal information.

9. International Data Transfers

Depending on client requirements and cloud infrastructure, information may be processed in countries outside the user's country of residence.

Where cross-border transfers occur, reasonable contractual, technical, and organizational safeguards will be implemented in accordance with applicable law.

10. Data Security

Madhulata Solutions implements appropriate technical and organizational measures designed to protect personal information against:

- Unauthorized access
- Accidental disclosure
- Loss
- Misuse
- Alteration
- Destruction

Security measures may include:

- Encryption in transit
- Encryption at rest where appropriate
- Role-based access control
- Multi-factor authentication
- Secure software development practices
- Network monitoring
- Vulnerability management
- Security logging
- Regular backups

No security system can guarantee absolute protection; however, we continually work to improve our security posture.

11. Data Retention

Personal information is retained only for as long as necessary to:

- Deliver contracted services
- Meet legal obligations
- Resolve disputes
- Enforce agreements
- Maintain business records

Once retention is no longer required, information will be securely deleted, anonymized, or otherwise disposed of using appropriate methods.

12. Your Privacy Rights

Subject to applicable law, individuals may have the right to:

- Access their personal information
- Correct inaccurate information
- Request deletion
- Restrict processing
- Object to certain processing activities
- Request data portability
- Withdraw consent where consent is the legal basis for processing

Requests will be handled within reasonable timeframes and in accordance with applicable legal requirements.

13. Cookies and Similar Technologies

Our website may use cookies and similar technologies to:

- Improve website functionality
- Remember user preferences
- Analyze website traffic
- Enhance user experience
- Improve security

Users may configure their browser settings to refuse cookies; however, certain website functionality may be affected.

Additional information is available in our Cookie Policy.

14. Children's Privacy

Our services are intended for businesses and professionals.

We do not knowingly collect personal information from children under the age required by applicable law without appropriate authorization.

If we become aware that such information has been collected inadvertently, reasonable steps will be taken to delete it.

15. Third-Party Websites

Our website may contain links to third-party websites.

We are not responsible for the privacy practices, content, or security of external websites.

Users are encouraged to review the privacy policies of any third-party services they access.

16. Changes to This Privacy Policy

We may update this Privacy Policy periodically to reflect changes in:

- Legal requirements
- Technology
- Business practices
- Service offerings

The updated version will become effective upon publication unless otherwise stated.

17. Contact Information

Questions, requests, or concerns regarding this Privacy Policy may be directed to:
